DON'T BE GENTLE

Joanna's friend Artie is here today because they like each other and like to fuck each other. "I guess you could call him my booty call. There's little foreplay, but that's okay by me. I just want to get laid. He starts out a little slower than I would like, but when he gets going, look out below! By now he knows how to please me so we've always had a great time. I can cum a lot with him inside me!"

What a first!

A coed
makes it her
personal
mission to
take a male
student's
cherry

The guys were always teasing me during my first weeks at school. I'd never had sex with a girl, and I told them so. That all changed the day Marisa, my roommate's 18-year-old sister, came to our dorm room to visit her brother. Luckily for me, he wasn't home.

I was embarrassed when she came into the room without knocking, because I was sitting at my desk in just my underwear. When I jumped up, she said, "Don't get dressed on my account." So I didn't. But I started sweating, and the room wasn't even hot. Marisa was, though. She was wearing a pair of shorts and a T-shirt that showed her breasts to perfection.

"My brother says you're still a virgin," she blurted, while I gaped in surprise. "Well, I'm here to teach you how to fuck."

With that, she stretched her T-shirt over her head. Her breasts were just as I had fantasized in my dreams. So round, so pure, so wonderful, with the nipples large and dark pink. I guess I was awkward, but I couldn't help myself. I just lifted both hands and fondled each breast with my fingers. I could feel a spurt of pre-cum juice spit from my dickhead. When I brushed my fingers over her nipples, they immediately hardened.

When I look up at Marisa, she was staring down at my dick, which was poking up against my boxers. Marisa grabbed the legs, and said, "Lift." I lifted my butt, and she pulled my shorts off. My dick plopped up and hit my stomach.

I was pop-eyed when she unzipped her shorts and stepped out of them. Then she also dropped her panties, dainty and dark pink, just like her nipples, and leaned over to stroke her tongue over my lips. My dick throbbed and lifted so fast, it tapped her leg. I was scared and excited and amazed—especially since I really didn't know how to go about this.

Marisa knew, thank goodness. She lifted both her knees and knelt down, straddling my waist. Soon she was squirming under me, rubbing her butt, then her pussy, against my stiff dick. I was burning up inside. When she lifted her butt, I kept my face plastered to her chest, licking my way down to her stomach, as smooth and as round as a doll's. Her fingers wrapped around the shaft of my dick as she lowered herself onto me.

I cringed, I burned, I held my breath. My dick was sliding inside her pussy, and I could hardly believe it was happening. I felt myself drift, totally lost in the warm, the wet feelings that coursed around the shaft of my dick. When she sat, she again grabbed my head and pulled it to her breasts. She thrust my face between them and crushed it with her hands.

Marisa started moaning, softly at first, then loudly as she began to ride me. My dick swelled inside her, throbbing as a gush of cum tightened my balls. I started groaning loudly, too, hugging her tightly and humping my ass up to fill her tight, young pussy with more of my dick. I wanted to fill every living inch of her.

Her arms were still wrapped around my neck, and suddenly my mouth was filled with her breast. Gasping for breath, I snapped at her nipple with my tongue. Moaning, she bucked backward, riding my dick faster and faster.

Then I just started spouting. My dick shot off so ferociously that I thought my cum would tear through her body and spurt out

It's no fun being a virgin around here—I know that from personal experience. I figured it was my duty to help you out."

"I'm really glad you did," I moaned. Her fingers were already tickling my dick up to full size.

"And now for your next lesson," she said with a nod. "You've never had your dick sucked, either, have you?"

I barely had time to shake my head before she was gulping me down.

That afternoon turned out to be the most educational experience of my entire 18 years. I learned to fuck pussy, to fuck face, and, finally, how to eat a girl out. I can't wait until next semester!

• Ricky, Nevada

couldn't help comparing his cock to my boyfriend's. It was twice the size of Joey's, and it wasn't even fully erect!

However, it was growing as my little hand slid up and down its chocolate-colored length. Soon I was so not able to wrap my fingers around it that I just had to say, "Wow! Kevin, you're like majorly big!"

Kevin was so shy, he almost looked embarrassed. "You don't have to if you don't want to," he said in a hoarse voice as I pumped him with both hands. But no way was I going to let the team down, so I told him to just relax, like I was some pro, even though I only started having sex last month.

"Let me see what you taste

of her mouth. She was moaning and groaning, and her pussy kept tightening around my dick, forcing my body to surrender to those unbelievable sensations.

My mind was a fucking dishrag when I scraped myself off the ceiling and came back down to earth. My dick was still inside Marisa, and Marisa had a smile of such deep satisfaction across her lips, I couldn't help but smile myself. All I could croak out was, "Thanks."

She said, "My pleasure, Ricky.

ONE FOR THE TEAM

The size of Kevin's cock made me a little nervous, but I was determined to carry out the plan our school's pep club came up with.

As captain of the cheerleaders, it was my job to seduce the star running back of our archrival before the homecoming game and basically fuck his brains out so that he would be too exhausted to play against our school the next night. As I stroked his thick black shaft in the back seat of my dad's car, I

like," I said, lowering my mouth onto the pinkish head of his cock. It was like trying to swallow an apple. The corners of my lips stretched way out, but somehow I managed to take in the whole thing without gagging too much. He tasted very sweet—much better, actually, than my boyfriend, who always seems a little too musky. I sucked and licked the head until I felt him tense up, his hands gripping the sides of the car seat.

"Oh shit!" he yelled, suddenly

lurching off the cushion, plunging his cock into the back of my throat while he flooded my mouth with an explosion of hot fluid. I swear, he must have spurted a dozen times, and I had to gulp like crazy, but even then his jizz overflowed the corners of my mouth.

When he finally pulled out, he was all embarrassed and shaking. His cock really looked beautiful, all shiny and black like a big nightstick.

"I'm sorry," he apologized. "I just couldn't hold back."

"I didn't want you to," I said. "I mean, it really made me horny sucking your cock. Can you feel how wet I am?"

virgin.

"Touch my wet little pussy," I cooed, pulling his wrist and guiding his hand down to my blue cotton panties.

His long fingers slid underneath and around my slit, then finally poked up into my pussy. The look on his face was one of intense concentration. I could feel my pussy getting hotter and wetter. Finally I worked my pants all the way off, then slid out of my panties and spread my legs. He looked like he had seen a vision, the way he just gaped at the sight of my blonde-fringed pussy. I asked if he would mind licking me out.

He looked so cute and con-

shockwaves of pleasure through my entire body, I firmly pushed his head away.

"I want you now, Kevin," I said, stroking his throbbing cock.

"Okay," he gasped eagerly. "How should we do it?"

"Just sit there," I said, maneuvering into position on top of his big thighs. I held the massive shaft in my hand, and, with my butt facing him and my knees pointing East-West, I lowered my dripping pussy over the slippery head of his cock. With my fingers guiding, I rotated the huge prong so that the tip kind of took hold inside me. Then I lowered myself slowly down. There was this feeling of awesome fullness around my entire lower body.

"Oh! My! God!" I gasped as my honey lips slid halfway down his chocolate staff.

His hands were gripping my hips, and I guess the feeling was too intense for him to keep still, because suddenly he started ramming the whole big salami up into me. He kept pounding into me so hard that I started coming almost immediately.

He was so crazy-horny, he plowed into me until he came, juicing my hot pussy with a sloppy, wet load that slid back out over his pistoning rod.

I lost count of how many times we fucked that night, or how many times his big cock made me come, but by the time I dropped him off and went home, I was the one so totally exhausted I could barely do my moves the next night on the field.

Kevin scored four touchdowns and rushed for over 200 yards, and his team won 69 to three, so I guess our plan backfired. I didn't care, though, because I went right home to bed afterward and relived the whole horny experience in my mind!

• Priscilla, Texas

I drew his hand up under the waistband of my sweatpants. At first, he just stared. "You don't have much experience with girls, do you?" I asked.

He shook his head shyly.

I couldn't help thinking that it was like what our English teacher would call irony. There he sat with his half-hard dong dangling between his legs, so humongous it practically dusted the floor of the car, and yet he was practically a

fused, I just pulled his head down between my crotch. "Just start doing what comes naturally," I said, and soon I felt his tongue all over my juicy pussy. He was slurping up and down, really swimming in my juices, his nose bumping against my clit as he tongued away. It was like he was starving and my pussy was the feast he needed. Problem was, I was starving, too—hungry to be filled with his big cock. Even though his tongue was sending

IT TAKES PRACTICE TO HANDLE SUCH A BIG COCK... 877-844-7825 MUST BE 18 TO CALL

You have to love a girl that shows up with two pierced nipples, a pierced tongue, and some sexy studs in her ears. You know she's ready for sex and she's going to give it all she's got. That's Edean and she came to the set all pierced up and smelling like a floral garden.

CAN IT REALLY BE THAT BIG?

When the action started she was more like a wasp than a honey bee. She sucked cock like a woman possessed and then took the big dick into her tight pussy hole and massaged it until the lucky stud came all over her. Then they did it again as she licked him clean and pulled his cock back into her pussy. We had a hard time keeping up with all the action.

WANNA DIP ME?

As you can see, I always get lots and lots of compliments on my body. I sometimes explain that I make my living with it. When they have a quizzical look at that answer, I pull down my top and flash the twins. That usually does it. And when I put my top back on, I have to snap them back to reality. I wish I could tell you how much my boobs have earned me.

Zoe was happy to have a good friend like Sandy around and willing to listen to her complaints. The lonely hottie was most thankful for her best college friend and roommate. She was always there and after a few drinks, Zoe de-

cided it was time to thank her. Her old roommate couldn't believe it when she was dragged into bed, the one she shared with her boyfriend, and pounced on her pussy. Both pussies were on fire and it took a full weekend to put it out. Now both girls are hooked on each other.

...WE WERE HORNY SO WE FUCKED EACH OTHER

Hot Vacation

*We'd been just friends for years,
until that weekend at the beach*

Karl and I have been together for five years. We have an open relationship, so our conversations on sexual matters are quite frank. Karl had often mentioned his desire of having sex with my friend Tina and me at the same time. And there were many times we could easily have done so.

But the furthest we had ever gone was intense snuggling on the couch. I always became too tense, too uncomfortable, to go on to anything more.

I'm not certain what was different during that weekend at the shore. Tina was spending Memorial Day weekend with us. Starting on Friday night there were overtones that something deeper was developing between the three of us.

Sunday, on the beach, Tina started massaging my back while Karl was swimming in the ocean. I was startled, while watching the waves crash onto the beach, to realize my growing sexual excitement. Later, when I came back from a long walk, I found Karl sitting on Tina's ass, rubbing sunscreen onto her back. She looked up at me as I approached, her gaze penetrating me.

When we arrived back at the house, still in our bathing suits, the place was hot and sultry, the air steaming

with erotic possibilities. The day at the beach, soaking in the rays of the sun, and the party afterward, smoking too much weed and drinking too much wine, had made me feel restless—and reckless.

Tina would be leaving in the morning, but Karl and I would stay on another day. We were sitting on the floor around the big coffee table, drinking more wine. Tina was wearing her scanty string bikini, which became unstrung when she reached behind herself for an ashtray. Capriciously, she snatched the top away from her body, her tits bouncing free.

"To hell with it," she said casually. Turning to us, she asked with a laugh, "Unless you'd prefer I keep it on?"

"Oh, no. Not at all," Karl said quickly, his eyes fixed on her boobs. I followed his eyes. Tina's nipples were hard. Her breasts were quite different from mine. They were very round and firm, like tennis balls. Tina was staring at me. I tingled with embarrassment, an unusual glow growing deep within me. I jerked my eyes away from her tits, feeling guilty. She was smiling, her eyes filled with amusement.

"Why don't you take off your top, too?" she asked me. "I'm sure Karl would like to see both of us."

BLAIR-NTS-00

As I removed my top, I nervously bent forward to grab my glass of wine. Tina reached out and caressed the top of my ass, which was peeking out of my scanty bottoms. Waves of excitement swayed through me.

Karl's voice punctuated the eroticism of the moment. "It really turns me on, watching you two touch each other," he said.

Squeezing my ass, Tina purred, "I bet you really like it, don't you?"

"I do, but..." I couldn't explain my discomfort. I loved

eyes and waited a very long time. Suddenly I felt a caress on my ass. I could hardly catch my breath. My skin was tingling.

"Let's leave her here for a while," I heard Tina say.

I don't know how long I stood there, my body stiff and aching, my mind spinning. It seemed an eternity before I heard them come back. Tina walked around to my side. Her response sent chills through me.

"We need to loosen her up," she said. Karl stepped up to me, then stopped and looked at me for a long

Tina, but she was my friend.

Karl grabbed me and said, "Why don't you let yourself go?"

"I'd really like to," I said haltingly.

"Close your eyes and come with me," Tina whispered into my ear. "You can trust me." As she led me across the room, something touched my forehead, something soft and silky. I felt something being tied around my eyes; it was a scarf. Tina walked away, leaving me enveloped in darkness. I could hear her whispering to Karl, but I couldn't make out what she was saying. I felt something against my arms.

The scarf was removed from my eyes. My blurred vision soon focused on Tina and Karl. "Karl, will you take off my bottoms," she said cooly, running her fingers over his chest.

Karl followed her bidding, leaving the brief bottoms of her bikini around her ankles, while he ran his hand over her ass. I tried to look away, but Tina grabbed my hair, jerking my head around. "Look, I want you to look."

Karl was stroking her ass, running his hands between her legs. Tina unsnapped my shorts and then pulled them over my hips.

A strange sensation pulsed through me. I closed my

time. He reached his arms around me, his lips falling open and yearning toward mine. He then grabbed my ass, his stare growing more intense. He then gently pulled my cheeks apart. I shivered with anticipation.

Meanwhile, Tina's fingers searched out my cunt. "You're all wet! You like it, don't you?"

"Yes, yes!" I quickly—too quickly—answered. She inserted two fingers into my dripping pussy. I moaned with an intensity that frightened me, and almost against my will I started to move my hips in response to her thrusting hand between my legs.

Karl stepped away to watch us, his lips open, his breath coming in fast, shallow bursts. He looked more passionately excited than I could ever remember seeing him. I lost all sense of what was happening and was engulfed by my blazing cunt. I was reduced to the sensations that were passing through me and making my whole body throb.

Karl knelt down in front of me and started eating me out with a ferocity I'd never experienced before. Tina stuck her finger in Karl's mouth as he was sucking me and brought the finger to my asshole. I almost came right then and there when she shoved her finger into my tight anus.

Tina suddenly got up and turned toward me, putting her hands around my head, bringing her head toward mine, guiding my lips toward hers. My mouth dropped open at the touch of her lips against mine.

Tina slowly worked her finger in and out of my asshole, until I was wildly gyrating with the erotic pleasures I was receiving from both sides. I was totally lost in the whirlpool of sensation, until Tina sharply pulled her finger out of me. She fell to the floor in front of Karl, her ass jutting into the air, and took his throbbing cock into her mouth.

I watched, mesmerized, as her lips glided up and down the shaft of Karl's cock. Karl was in ecstasy. I had never seen him look so sexy. I stared at Tina's head bobbing up and down; her rhythm rippled through me. I could almost taste Karl's delicious dick in my mouth, almost feel it gliding off my tongue, just by watching my boo's cock disappear into Tina's mouth.

Tina suddenly got up and turned toward me, putting her hands around my head, bringing her head toward mine, guiding my lips toward hers. My mouth dropped open at the touch of her lips against mine. She shoved her tongue into me so forcefully it struck the back of my throat. Her fingers grabbed my hair and her breasts ground against mine.

loved most in the world.

As though a dam had been released, all of me was gushing, dancing to a wild, sensual beat, hissing through the air. I shuddered in delight, undulating in a sea of rampant sexuality. Screaming frantically, I came and came, as if I would never stop. Tina's eyes sparkled in front of me; Karl was thrusting deep behind me.

Soon all of us were trembling and moaning together, the spasms from Karl passing through me to Tina. I kept coming, tumbling, moaning, writhing. I had never surrendered so completely to such dazzling, vibrant sexuality.

Karl's body relaxed behind me, his grip loosening. Tina guided me off his spent cock, and in one fluid motion she laid me on the floor. At once she lowered her tantalizing mouth to my sopping-wet cunt while she placed her own beautiful bush in my face. I opened her cunt lips with my newly freed hands and desperately sought out her rosy clit with my tongue. Lost in the sweetness of her taste and the incredible pleasures of her talented mouth, I continued to fly in an orgasmic

Karl moved behind me and Tina guided his stiff rod into my ass. I started to churn, writhing against the massive intrusion into my asshole. Tina kept her mouth on mine as her fingers plunged into my pussy. I was whirling; all of me was spinning and melting. I was swimming on the verge of an abyss which threatened to overtake me. In front of me and behind me were the two people I

loved most in the world.

We all ended up in the same bed that night, our bodies and legs entwined, sleeping soundly. We awoke to a beautiful day, tinged only by the sad fact that Tina had to leave us. Her vacation was over.

I haven't seen or spoken to Tina since that morning, but I know the three of us will become one again.
